SUPERIOR PILSEN MALT

Superior Pilsen malt is produced with care and a gentle processing regime. By utilizing lower protein barley and a delicate kilning program, we are able to create a fully functional base malt with accentuated extract and low color formation.

IT'S YOUR MALT.

The world's best malt is not created just by algorithms and recipes. Like producing award-winning beer and spirits, it takes a sixth sense, a knowing when the flavor, depth, color and character of the malt is just right. It takes an intuition and an instinct that takes decades to master. We call it *soul*.

For over 85 years, it has been our passion to make perfect malt for craft brewers and distillers like you. Thank you for choosing us to be at the heart of your craft.
